Need special door to door service?

If you require special service due to a disability in order to ride the bus you will need to complete the ADA Paratransit Eligibility form and have it certified by your doctor. Once your eligibility has been confirmed you will be entered into a database that will qualify you for door-to-door bus service. Door-to-door bus service will be offered only by reservation 24-hours in advance of your planned trip. Details are included in the eligibility packet. To get an eligibility packet call toll free at 1-877-688-0826 and one will be sent to you or you can download the packet from our web site at www.hta.org and click on the handicap symbol at the top of the Redwood Transit System page. There is a 50-cent surcharge for door-to-door service in addition to the regular fare.
